3 NEW TITLES FROM A.C.C.

JUST PUBLISHED—

HUMAN BEHAVIOR IN BUSINESS By G. Hugh Russell and Kenneth Black, Jr.
This successor volume to HUMAN BEHAVIOR AND LIFE INSURANCE, now used in the national C.L.U. program, is the guide to a more complete understanding of the many roles assumed in our enterprise-oriented society. HUMAN BEHAVIOR IN BUSINESS stimulates and enhances the understanding of the many basic behavioral concepts critical to improving the effectiveness of the manager or practitioner in influencing the behavior of others. Russell and Black present the human side of business in a conversational tone that engrosses the reader and moves the business man towards an impactful awareness of himself, his associates and clients.

A CASE STUDY IN RISK MANAGEMENT By Jerry S. Rosenbloom
A new book for a newly-emerging discipline of the analysis and treatment of risk, A CASE STUDY... treats management logically and compactly. A medium sized corporation is analyzed, giving far-reaching guidelines and applications of practical interest to CPCU Chapters; all corporate risk managers; insurance company personnel; agents, brokers and consultants; students of insurance and related subjects; and management personnel in general.
1972 SBN 390-76010-2 cloth $7.95

LIFE INSURANCE, Eighth Edition, by S. S. Huebner and Kenneth Black, Jr.
The most widely used book for Part I of the Chartered Life Underwriters program, this successful text has been up-dated, revised and about one-third rewritten, to include new data and changes in the field. It provides an integrated treatment of life and health insurance.
